EXCITEMENT IN EUROPE

Ugly Behavior of Servians May Force
Austria Into War—Cretans
Giving Trouble

Belgrade, Servia, Oct. 8.—Mobs of angry Servians are surrounding the Austrian legation threatening to renew the attack which began last night and continued until dawn when a detachment of soldiers succeeded in beating back the infuriated mobs. Troops are guarding the legation. Every window of the legation building was broken during the night attacks.

Servians Yearn for a Licking

The government of Servia has addressed an urgent protest to the signatories of the Berlin treaty against Austria-Hungary's breach of the provisions of the treaty in seizing the occupied province of Bosnia and Herzegovina.

The Servian parliament has been summoned in extraordinary session for October 10th. Popular clamor for war with Austria-Hungary continues unabated.

Mobilization orders have been issued and reserves called out to the number of 75,000.

Boldly Says Its Nobody's Business

Vienna, Austria, Oct. 8.—The Austria-Hungary foreign office boldly announces that neither her annexation of Bosnia and Herzegovina nor Bulgaria's declaration of independence was a matter of concern to the other powers and that it didn't care whether annexation was recognized or not, as it was an accomplished fact and could not be undone. This statement was issued as a protest against the calling of an international conference to revise the Berlin treaty.

Cretans May Revolt

Canea, island of Crete, Oct. 8.—The events in Southeastern Europe, the independence of Bulgaria and the annexation of Bosnia and Herzegovina are having their effect here. Cretans are preparing a coup d'etat in favor of union with Greece. Action on this end may be expected any moment.

A CERTAIN CURE FOR CROUP

Used for Ten Years Without a Failure

Mr. W. C. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past ten years, and though they much feared the croup, his wife and he always felt safe upon retiring when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequalled for croup and whooping cough. For sale by all druggists.

ARTILLERY PRACTICE FOR INFANTRY

Five Companies of State Troops Now Encamped at the Pensacola Forts

Pensacola, Oct. 8.—Five companies of the First Regiment of the Florida State Troops arrived in Pensacola on Monday and were sent down to Fort Pickens and McRae to go into encampment for the annual exercises, in connection with the regular army. The companies, comprising three hundred and fifty enlisted men, were from Apalachicola, Plant City, DeFuniak, Tallahassee and Marianna. All of the soldiers, though infantry, are at present acting as artillery. There will be no infantry exercises, the whole time of the troops being devoted to the handling of the big guns and working the instruments for the location of ships at sea. So far as at present known there will be no sham battles, as was the case last year.

The government has given stringent orders to all of the infantry of the coast states to give especial attention to the handling of big guns, and every effort will be made to make them proficient in coast defense operations.

EXCELLENT HEALTH ADVICE

Mrs. M. M. Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpidity of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at all drugstores, 50c.

NEAR BEER TAX WILL STAND

Atlanta, Ga., Oct. 8.—Judge Ellis in superior court yesterday denied the application of E. H. Carroll and 114 other near beer manufacturers, dealers and agents for an injunction restraining the levy of a special tax provided for by the recent session of the legislature. The dealers sought to have the collection of the tax of \$500 imposed upon the manufacturer and \$200 imposed on retailers of near beer on the ground that the act is unconstitutional. Notice of appeal was immediately filed by attorneys for petitioners.

AMERICAN MAJOR GENERAL AT GERMAN ARMY MANEUVERS.

Major General Leonard Wood has been an interested spectator of the fall maneuvers of the German army at St. Johann on the Saar. On the day allotted to the artillery tests there was a great crowd of military men from every where present. The Kaiser spent the entire day in the field and at luncheon took part with a mess of artillerymen. General Wood began his military career as an army surgeon and distinguished himself as colonel of rough riders at Guadalupe and San Juan.

OLDEST WOMAN IN AMERICA

Mrs. Betsy Freeman Has Lived Under Every President

Rebark, Pa., Oct. 8.—Mrs. "Betsy" Freeman, who is believed to be the oldest woman in the United States, quietly observed her 115th birthday yesterday at her little home in Madison township, this county. Mrs. Freeman was born in Fayette county in 1793 and has always lived here. So far as is known she is the only person now living who has lived under every president of the United States from Washington to Roosevelt.

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.

Sold by all Druggists, 75c. Take Hall's family Pills for constipation.

WILLIAM WILL HAVE HIS WAY

The Kaiser Looms Up Large Behind Austria and Hungary in the Balkans Trouble

London, England, Oct. 8.—Germany looms up large as an obstacle in the way of an international conference for the settlement of the Balkans trouble, according to opinions expressed by British diplomats. No matter what reasons may be officially assigned for the failure of the proposed conference, which seems possible, England holds the Kaiser responsible. Austria-Hungary will stand as the nominal leader of the opposition, but back of Austria-Hungary, the British diplomats profess to see the cunning hand of the Kaiser.

ELKINS IS NOT ELATED

Over His Prospect of Capturing a Royal Son-in-Law—Would Prefer Some Good American

Elkins, W. Va., Oct. 8.—Scientist, admiral and prince of the royal blood though he be, United States Senator Stephen B. Elkins goes on record as being in no wise eager to have the Italian Duke of the Abruzzi as a husband for his daughter, Katherine. He flatly denies a Paris report that their marriage would take place about Dec. 10th. In fact, Senator Elkins said he would prefer that Katherine's hand and millions should go to an American.

"There is no truth in the report at all," said Senator Elkins, when shown a statement that his daughter would marry in December shortly after the arrival here of her dual lover with a squadron of battleships. "I wonder who manufactures all such reports. The arrangement for such an event depends upon other persons. But please say there is no foundation for the rumor."

It is believed here that the opposition of the queen of Italy to the Elkins match has much to do with the senator's reluctance to accept Abruzzi as a son-in-law. While he is satisfied that the duke is really a devoted swain, he fears that should the marriage go through Italian royalty and nobility would make the life of his daughter so unpleasant that the marriage would be doomed to disaster from the start. So strongly has the idea taken hold of Senator Elkins, his intimates say, that there is the strongest possibility that should the present hostile attitude of the Italian court continue, there is likely to be an ending to the talk of the rumored match.

Marriage of Mr. Edward Newman to Miss Edna Livingston

We are having some delightful weather now. It makes folks feel like working all the time.

Mr. J. M. Meffert has quite a good crop of fall beans which are bringing good prices.

On Wednesday night, Sept. 30, at 7:30 o'clock, at the residence of Mr. P. B. Livingston, Mr. Edward Newman and Miss Edna Livingston were united in marriage by Rev. T. H. Sistrunk. Mr. Newman was formerly of Illinois, but now of Kansas. He is a stranger to the people here, only being here a short time but made many friends. Miss Edna is the youngest daughter of Mr. and Mrs. P. B. Livingston, and has spent most of her life here, only being absent a year, which time she spent in California and where she met Mr. Newman. The young couple left Thursday to visit Mrs. Newman's brother in St. Petersburg, remaining there until Sunday, when they returned here and stopped with the bride's parents until Tuesday. They left Tuesday for Illinois to visit the groom's relatives and expect to be at home at Latham, Kansas, after the tenth of October. The bride has many friends here who will miss her, but wish her all the joy and happiness that life can offer. Those present at the wedding were the parents of the bride, Mr. and Mrs. W. B. Livingston and four children, Mr. and Mrs. Clifford Livingston and little son, Mr. and Mrs. E. C. Gladney and six children, Miss Juanita Livingston, Rev. and Mrs. T. H. Sistrunk, Mr. and Mrs. B. Baxter, Mr. William, Lacy MacLean and Miss Amy Kendall.

Rev. T. H. Sistrunk and wife spent several days here last week.

Mr. and Mrs. E. C. Gladney, Misses Amy Kendall and Juanita Livingston, Messrs. Don Livingston and Lacy MacLean attended the ball game at Reddick, Saturday afternoon. Evinston and Reddick played. The score was 15 to 12 in favor of Reddick.

Mr. and Mrs. J. C. Denman are rejoicing over the arrival of a little son, which happy event took place Oct. 3.

We still have some dengue in our midst, but hope it is about over with.

Mr. and Mrs. S. P. Rou and children went to Orange Springs last week for a few days.

Mr. and Mrs. E. M. Montague came back sometime ago from the North, where they spent a very pleasant time with relatives. Their many friends here were glad to see them back and looking so well.

The shipment of the orange crop will soon commence. There is a very good crop this season.

Our public school is doing very nicely under the able management of Miss Amy Kendall.

Mr. and Mrs. J. M. Meffert and fine twin boys were pleasant visitors here Tuesday.
